

Scholarship Fee Guidelines

All selected Scholarship students must be eligible for Abstudy allowance. This payment is directed straight to the school and is used to help Yalari cover the tuition and boarding fees at our partner schools. The gap between the Abstudy allowance and the cost of tuition and boarding is made up by Yalari through fundraising, donations and sponsorship. (Families must ensure that Abstudy is kept up to date with any changes of circumstances including change of address. This is important as Abstudy will only allow school travel to/from the registered address.)

What the Yalari scholarship will provide:

Boarding Fees	✓	Yalari will cover all regular fees associated with boarding.
Tuition Fees	✓	Yalari will cover all regular tuition fees associated with school.
Uniforms	✓	Yalari will cover the cost of the required summer and winter uniforms. New students receive new uniforms. In the following years, good quality second hand uniforms may be allocated, if available. <u>Please note:</u> school shoes are not covered by Yalari. <u>Please note:</u> Loss or damage to uniform beyond fair wear and tear must be covered by parents/guardians.
Textbooks	✓	Yalari will cover the cost of the purchase or hire of the required textbooks.
Technology	✓	Yalari will cover the necessary costs of laptop or tablet if they are a school requirement. The device, charging cord and other peripherals remain the property of Yalari or the partner school and must be returned. <u>Please note:</u> Loss or damage to any laptop or tablet is the financial responsibility of the parents/guardians.

COSTS TO FAMILIES

All parents/guardians are required to make a financial contribution towards the scholarship. The amount of the contribution is determined by the amount of Abstudy the school receives for the student. The value of the contribution will be either \$600, \$2,500 or \$5,000 per year and will be billed on a term by term basis. Payment plans can be arranged if required.
