Yalari and Our Supporters

Yalari is a not-for-profit organisation working to educate and empower Indigenous children from regional, rural and remote communities to bring about generational change for Indigenous Australians.

Since 2005, Yalari has been providing Indigenous children with full scholarships to some of Australia's leading boarding schools. In 2022, Yalari supports 227 children at 20 schools nationally, with over 400 alumni undertaking higher education, apprenticeships or employment.

Yalari strongly relies on the goodwill of its corporate partners and other philanthropists to continue its ongoing work. Each year, fundraising dinners are held around Australia where our partners come together to show their support for Yalari and its mission.

2022 Brisbane Dinner

This year's Brisbane Dinner will be held on Friday 9th September at the Brisbane Convention and Exhibition Centre.

The dinner is a unique celebration of Yalari's students and gives Yalari the chance to showcase the important work it does, whilst raising essential funds. The evening is full of inspirational speeches, entertainment, live and silent auctions, and quality food and company. The guest list comprises of many of Yalari's corporate and philanthropic supporters, representing a variety of state and national corporations.

We invite you to partner with us for the 2022 Yalari Brisbane Dinner and in turn help empower Indigenous children to shape better futures.
