Acknowledgement of Country

Yalari acknowledges Aboriginal and Torres Strait Islander peoples as the first inhabitants of this land. We recognise their culture, history, diversity and deep connection to land, waters and territorial seas of Australia.

We pay our respects to the Elders, past and present, and acknowledge the Yalari office is on Kombumerri country within the lands of the Yugambah language group of the wider area. We also acknowledge the traditional custodians of the lands on which we work Australia-wide, and recognise their culture, heritage and beliefs.

Vision

Yalari's vision is to be one of Australia's great enduring educational and leadership foundations empowering Indigenous people from regional and remote Australia.

Purpose

To create equitable opportunities and outcomes for successive generations of Indigenous children.

To develop leading programs educating and supporting Yalari's students and alumni, individually and collectively, as qualified, contributing, culturally connected and influential Australians.

The Impact of Workplace Giving

Workplace Giving is a simple and tax effective way for employees to make donations to a cause they care about. These donations help Yalari educate and empower Indigenous students from remote and regional Australia.

Make a Difference

Workplace Giving allows employees to provide life-changing educational opportunities for Indigenous students from remote and regional Australia by making a regular, tax-deductible donation to Yalari through your employer's payroll system.

Convenient

You don't need to collect and present receipts to claim at the end of the year for a tax refund. The donation is taken from your employee's pre-tax salary, and the donation is automated with their payroll cycle.

Tax Effective

Donating from your employees pre-tax income means a lower upfront cost for them, as the tax benefit applies immediately.

Improves Workplace Culture

Workplace giving brings staff together around a common cause. Many employers choose to match staff donations or donate a fixed amount, to increase the impact and boost staff morale.

"Through my own experience, I'm a big believer in the power of education and it's ability to open up important opportunities. I hope that my donation helps with your important work."

Yalari's 19th Birthday

Yalari

Let's Celebrate Together!

13th April, 2024

This year, Yalari celebrates 19 years of changing minds, changing stereotypes, changing perceptions and changing Australia. As we look to the future with excitement and hope, we invite you to join us in celebrating this important milestone.

Through the valued support of corporate partners like you, and donations from your staff, we have been able to impact over 750 young Indigenous Australians from remote and rural communities through a life-changing educational experience.

Donations contribute to essential activities in Yalari's program, including:

Student Support

- Individualised holistic wellbeing, personal and cultural support provided by Support Officers located near partner schools across Australia
- Annual camps for each year level cohort
- Additional academic tuition

Pathways and Alumni

- Careers guidance and job placement
- Bursaries for tertiary studies
- Leadership and professional development
- Personal growth through financial literacy, wellbeing and cultural connection

"I applied to Yalari so I can get a good education, so that I can make myself and my family proud. I want to become a doctor so I can help people, so they will live happy and healthy lives."

Viema, Bamaga QLD

Resources

We're asking generous individuals across Australia to consider starting a regular contribution of \$19 per month (or any amount) to help celebrate our birthday.

Thank you!

We appreciate the growing community of corporations who are supporting Yalari through Workplace Giving.
