

Yalari

ADELAIDE

Gala Dinner

THURSDAY 7 MAY 2026

NATIONAL WINE CENTRE OF AUSTRALIA

Proudly supported by:

Barton Gold

ABOUT YALARI

Yalari provides scholarships and comprehensive wrap around support for students to attend secondary school at Australia's leading boarding schools. This year, over 260 children are studying at 23 partner schools across Australia, including Scotch College in Adelaide.

Post graduation, Yalari provides programs and lifelong support to over 600 alumni, building a powerful network of connected, highly educated Indigenous leaders, contributing and driving change in Australia.

2026 GALA DINNER

Yalari is built on partnerships: partnerships with our students and alumni; their families and communities; our schools; and, alongside everything we do, partnerships with our sponsors and supporters.

Together, these partnerships help ensure the gift of education is available to future generations of Indigenous children.

Each year, our gala dinners bring the Yalari community together to share in the stories, strength and aspirations of Yalari students and alumni.

The 2026 Gala Dinner will be held on Thursday 7 May at the National Wine Centre of Australia, welcoming approximately 250 guests. The evening will celebrate the stories and achievements of Yalari students and alumni while raising funds to ensure our programs continue to create opportunities for generations to come.
